## Testimonials

"I brought in 54 bookmarks from the Gift Show and sold them all in 2 1/2 days. Then got another 96 and in two weeks sold another 60! Customers are picking up 3,4,5, even 6 of them at a time." - Jackie, Owner of 'From the Heart' (gift store) Windsor, Ontario (Canada)

"Hey-great product. I sold out within the week after delivery" - K.C. Grieser, Owner of 'Paperback Exchange', Kernersville, NC

"This summer, I ran across your very delightful PageKeeper bookmarks in a bookstore in Colorado. I bought all they had, some 26 bookmarks. I am using several, and have given away almost all the rest as gifts. Now, I'm almost out of them." - PSC, Casa Grande, AZ

"Could you please tell me if there is someplace in my area that carries this item? I would like to replace mine, and buy several more. What a great stocking stuffer for my family of readers!" - NTW, Decatur, AL
